## **International Teacher Recruitment**

---

### **We Are Looking for Academic Teachers and English Language Teachers**

Detroit Green Technology Institute (DGTI) of Hubei University of Technology (HBUT) is a transnational education Institute, which was approved by the Ministry of Education of China in March, 2019. DGTI is located in Wuhan, the capital city of Hubei province and a large metropolitan in central-south China. It is administered cooperatively by HBUT in China and University of Detroit Mercy in USA. DGTI is on HBUT campus.

DGTI offers four bachelor degree programs: Mechanical Design & Manufacturing and Automation, Electrical Engineering and Automation, Software Engineering, and Environmental Engineering. The goal of the institute is to train students to be talents with global vision, international competitiveness, cross-cultural competence, innovation and entrepreneurship. Upon graduation, graduates will receive: 1) a Bachelor of Science degree and a graduation certificate from HBUT, 2) a Bachelor of Engineering degree from the University of Detroit Mercy.

As a Sino-U.S. partnership, DGTI thoroughly integrates the advanced educational concepts and the excellent educational resources of the Sino-U.S. sides, implements the international school-operating system, recruits first-class faculty worldwide, and explores different ways of training innovative and interdisciplinary personnel.
